

'ON THE JOB' CONFERENCE SUBSIDY APPLICATION

Autism Speaks Canada is pleased to announce the availability of travel/expense subsidies up to \$1000 (dependent upon location in Canada) to enable Canadian stakeholders (parents and caregivers/individuals living with an ASD), service providers, etc.) to attend the **"On The Job" Conference in Toronto, Ontario on**

February 2-3, 2012. For more information on the Conference Agenda, please go to www.sickkids.ca/cme.

Subsidy Amounts to be awarded by Geography:

GTA/Toronto:	\$150
Ontario (other):	\$250
MB/QC:	\$500
SK/NS/NB:	\$750
BC/AB/NF/NT/NU/YT:	\$1000

Autism Speaks Canada hopes these subsidies will allow representatives from ALL provinces/territories to attend and participate in the conference, to network with other stakeholders from across Canada, and to return to their home bases willing to share their experience and knowledge with others with a view to participating in a continued national discussion on the issues raised at this first time event.

It is hoped that this event will be held annually where the agenda of vocational training, access to meaningful employment and best practices in Canada and internationally can be shared amongst the autism stakeholder group.

Applications will be reviewed and decisions will be made by Friday, January 20.

Regretfully, we will not be able to provide subsidies to all applicants. Subsidies will not cover all travel/expenses related to the conference so all applicants must be able to make up the balance to attend the conference. All applicants will be notified on Friday, January 20 whether or not they have received a subsidy. Autism Speaks Canada is very pleased to be able to provide this assistance and requests your understanding should you not be successful in your application.

Please fax or email your completed application form by THURSDAY, JANUARY 19 AT 5 PM EST to:
