

Fathers needed for research study on parenting children with Autism spectrum disorder

Are you the father of a child who has been diagnosed with Autism?
We are investigating fathers' involvement with their children with Autism and their experiences of support

For participating you will be offered a \$5 **Donation** e-gift card to Canadahelps.org
With over 200 Autism-related charities + many more!

ELIGIBILITY FOR STUDY:

- Fathers (biological, step-, adoptive, foster-, grand-, etc.)
- Raising a child (age 4-11 years) who has been diagnosed with Autism

PARTICIPANTS WILL BE ASKED TO:

- Complete a screening questionnaire for autism for your child
- Complete an online survey
- If you choose to, participate in an optional phone interview

TO PARTICIPATE IN THIS STUDY, PLEASE CONTACT THE PRIMARY RESEARCHER (Jason Bloom)
