

Autism Speaks Canada

Financial Statements

For the Year Ended December 31, 2018

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Autism Speaks Canada

Qualified Opinion

We have audited the financial statements of Autism Speaks Canada, (the Organization), which comprise the statement of financial position as at December 31, 2018 and the statements of operations and changes in fund balances and cash flows for the year then ended, and notes to the financial statements, including a summary or significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2018, and results of its operations and its cash flows for the year then ended in accordance with Canadian Accounting Standards for Not-for-Profit Organizations.

Basis for Qualified Opinion

In common with many charitable organizations, the Organization derives revenues from donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Organization and we were not able to determine whether any adjustments might be necessary to public contributions, excess of revenues over expenses (expenses over revenues), cash provided by operations for the year ended December 31, 2018, current assets as at December 31, 2018 and fund balances as at January 1, 2018 and December 31, 2018.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our qualified opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. PURPOSE OF ORGANIZATION

Autism Speaks Canada, formerly National Alliance for Autism Research (Canada), (the "Organization") was incorporated on October 27, 2003 under the laws of the Canada Corporations Act as a not-for-profit organization without share capital and is a registered charity within the meaning of the Income Tax Act. As a registered charitable organization, the Organization is tax exempt under paragraph 149.1(1)(g) of the Income Tax Act.

The mission of the Organization is:

Autism Speaks Canada is dedicated to promoting solutions, across the spectrum and throughout the lifespan, for the needs of individuals with autism and their families by supporting and working with community partners; enhancing resources and services; increasing understanding, acceptance and inclusion of people with autism spectrum disorder; and advancing research into causes and better interventions for autism spectrum disorder and related conditions.

2. SIGNIFICANT ACCOUNTING POLICIES

Fund Accounting

The Organization follows the restricted fund method of accounting for contributions. For financial reporting purposes, the accounts have been classified into the following funds:

Operating Fund

The Operating Fund comprises the unrestricted resources of the Organization or restricted resources for which a specific fund does not exist.

Restricted Fund

The Restricted Fund reports any resources that have been provided to the Organization with specific designated purposes that include supporting family services, web development, public awareness and other specific research programs.

Revenue Recognition

Unrestricted contributions are recognized as revenue of the Operating Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Of the unrestricted contributions, approximately thirty percent of the revenue recognized is received from one corporation.

Restricted contributions for which a specific fund does not exist are recognized as revenue of the Operating Fund in the year in which the related expenses are incurred.

Contributions to the Restricted Fund are recognized as revenue of the Restricted Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

2. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Financial Instruments

The Organization initially measures its financial assets and liabilities at fair value. The Organization subsequently measures its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include amounts receivable and due from Autism Speaks. Financial liabilities measured at amortized cost include accounts payable and accrued liabilities and grants payable.

Transaction costs and financing fees are expensed as incurred for financial instruments measured at fair value and capitalized for financial instruments that are subsequently measured at cost or amortized cost.

Financial assets measured at cost or amortized cost are tested for impairment when there are indicators of impairment. The amount of the write-down, if any, is recognized in the excess of revenues over expenses. Reversals of impairment are recorded to the extent that the value has increased, up to the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the excess of revenues over expenses.

Grant and Research Awards Recognition

Grants are accrued and expensed in the year they are awarded.

Rescinded or returned grants are recorded as recoveries in the year of determination that the grant will be rescinded or returned. Grants are rescinded or returned when circumstances arise in which a previously recorded grant amount must be revised, such as when a given project requires less than the amount originally awarded or cannot be completed.

Certain research projects funded by the Organization extend over a number of years. Such projects are reviewed annually and further funding is provided conditional upon accomplishment of specified performance criteria and availability of research funds. Accordingly, the statement of financial position does not include a provision for funding on multi-year research projects that extend beyond the current year.

Contributed Materials and Services

A substantial number of volunteers have made significant contributions of their time to the Organization and its purpose. The value of this contributed time is not reflected in these financial statements.

The Organization recognizes contributed materials, when a fair value can be reasonably estimated and when the materials are used in the normal course of the Organizations operations and would otherwise have been purchased.

Other Assets

Other assets consist of website development costs and are being amortized on a straight-line basis over five years. The assets are reviewed for impairment if events or changes in circumstances indicate that the carrying value may not be recoverable. An impairment loss is measured as the amount by which the carrying value of the assets exceed their fair value.

2. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Capital Assets

Capital assets are recorded at cost less accumulated amortization. The cost is being amortized over the estimated useful life of the assets as follows:

Computer equipment - 4 to 5 years straight line

When a capital asset no longer contributes to the Organization's ability to provide services, its carrying amount is written down to its residual value.

Use of Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Significant estimates included in these financial statements are with respect to the allocation of general support expenditures. Management believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

3. PLEDGE RECEIVABLE

In 2014, a donor committed to provide \$2,000,000 to support the MSSNG project at the Hospital for Sick Children. The Organization received the first instalment of the pledge in the amount of \$500,000 during 2014, the second instalment of \$300,000 in 2015, the third instalment of \$300,000 in 2016, and the fourth instalment and fifth instalment of \$300,000 in 2018. The final annual instalment of \$300,000 is to be received in 2019. The Organization will record the contributions from this pledge within the restricted fund as received. As at December 31, 2018, \$1,700,000 of the funds have been received.

In 2016, a donor committed to provide \$500,000 to support the MSSNG project at the Hospital for Sick Children. The Organization received the first two instalments of the pledge in the amounts of \$50,000 during 2016 and \$49,051 during 2017, with the third instalment of \$50,000 in 2018 recorded as a receivable as at year end. As at December 31, 2018, \$99,051 of the funds have been received, with \$50,000 recorded as receivable as at year end. In 2018, the donor withdrew the remaining pledge commitment.

4. OTHER ASSETS

	Cost	Accumulated Amortization	Net 2018	Net 2017
Website development costs	\$ 85,249	\$ 69,404	\$ 15,845	\$ 21,255

5. CAPITAL ASSETS

	Cost	Accumulated Amortization	Net 2018	Net 2017
Computer equipment	\$ 35,448	\$ 29,542	\$ 5,906	\$ 6,533

6. RELATED PARTY TRANSACTIONS AND BALANCES

In 2018, Autism Speaks, the controlling charity located in the United States granted the Organization USD\$223,688 (2017 - USD\$303,693) to support the funding of research projects. The Organization recorded the revenue within the restricted fund. As at December 31, 2018, USD\$223,688 has been received.

The transactions were conducted in the normal course of operations and were measured at the exchange amount. There was no interest on the balance owing from Autism Speaks and it was due on demand.

7. COMMITMENTS

Family Services

In 2015, the Organization entered into a five year agreement with Pacific Autism Family Centre Foundation to fund an autism research project in the amount of \$500,000 ending November 30, 2020. The title of the project is: Pacific Autism Family Centre ("PAFC"). To date, the Organization has paid \$200,000 towards the project with an additional \$100,000 being payable as at year end. The Organization has committed to paying the remaining \$200,000 in yearly instalments of \$100,000 by 2020.

Research Projects

In 2015, the Organization collaborated with SickKids Foundation, the Hospital for Sick Children and Google to fund an autism research project known as the MSSNG project. The Collaborators agreed to set a fundraising target of \$10,000,000 which includes a \$2,000,000 pledge already committed to Autism Speaks Canada by KRG Children's Charitable Foundation ("KRG") (see Note 3) towards this project. To date, the Organization has advanced \$1,400,000 towards the project and \$300,000 is payable as at year end. The Organization has committed to paying the remaining \$300,000 in an annual instalment in 2019 as the pledged amounts from KRG is received.

The Organization has remaining multi-year funding on these research projects, as follows:

2019	\$ 400,000
2020	100,000
	\$ 500,000

7. COMMITMENTS (Cont'd)

Pursuant to a memorandum of understanding with Autism Speaks, the Organization will fund select Autism Speaks awards to Canadian recipients. The Organization has multi-year funding related to these research projects, in USD as follows:

2019 \$ 309,103 USD

8. ALLOCATION OF GENERAL SUPPORT EXPENDITURES

During the year, salaries and benefits were allocated amongst various activities based on the estimated percentage of time spent as follows:

	2018	2017
Operations	\$ 273,411	\$ 257,840
Fundraising	644,755	697,306
Collaboration and awareness	366,284	381,379
Family service	161,244	106,037
Research	83,194	81,387
	\$ 1,528,888	\$ 1,523,949
