Engaged 16.3 M people in 172 countries

to increase understanding and acceptance during World Autism Month

In April 2020 we partnered with MacART and CASDA on the Pandemic Canadian Autism Needs Assessment Survey to understand the impacts of COVID-19 on autistic Canadians and their families

1,066 participants with 21% identifying as autistic

walk
TOYS R US
Since 2007 over **\$14.6 M** was raised by Autism Speaks Canada Walk participants to support the autism community

Since 2006 funded over **\$9.9 M** in science grants and fellowships

Passionately advocated alongside CASDA for a

National Autism Strategy

which was mandated in December 2019

Autism Speaks Canada Connect provides 861 resources and 4,736 services to

18,000+ unique users

Since 2010 funded **\$5 M** to more than 280 organizations across Canada promoting collaboration and building capacity

Co-host job fairs with Spectrum Works to match autistic individuals with potential employers across Canada

Partnered with Toys R Us for **Developmental Play Packs**

designed for kids with autism to help encourage developmental milestones through play

Since April 2020 **19,000+ people**

have accessed COVID-19 related free resources and useful information on our website

Since 2016 provided free access to critical information and support: **26,000+ toolkits** downloaded by families and professionals

In 2020, received a generous donation of **\$3.5M** from Wise Family Foundation to support autism research

Since 2014 we have gifted more than **5,000 tablets** to individuals with autism and service organizations with the help of Samsung Canada

Over the past year our Autism Response Team has helped individuals with **over 200 service inquiries**
